Clallam County - Troopers assigned to the Port Angeles Detachment of the Washington State Patrol would like your assistance locating the driver involved in a hit and run collision. The collision occurred Saturday, February 3, 2007, at approximately 6:45 p.m., on SR 112 near mp 55, between Joyce and Port Angeles.

Troopers arrived on scene and found a 1985 Dodge Ram pick-up had sustained rear-end damage from the collision. The driver and passenger of the Dodge received minor injuries and were transported to the hospital. The suspect vehicle is believed to be a light colored truck, possibly with a lift. The truck is also reported as having oversized tires. Damage to the suspect vehicle will be to the front-end. Additional reports indicated the suspect vehicle may have a brush guard.

A witness observed a light colored truck in the area, but the color, make and model of the suspect vehicle are not certain.
